A LEADER IN PLASTIC EXTRUSION
PROFESSIONAL PASSIONATE PEOPLE

MSW Plastics Inc manufacturers and is a Leader of PVC plastic extrusions for the industrial, commercial, agricultural, and residential markets. The company specializes in technical profiles, specifically wall and ceiling panels and custom extrusions. A service oriented team, technologically advanced manufacturing equipment, high quality products, and great customers, has led to MSW Plastic's success.

Mission Statement:

MSW Plastics is the customer-preferred vendor for plastic extrusion products worldwide. MSW continues to strive to meet these goals by offering customer-friendly and superior service, while maintaining competitively priced products. Our responsibility is to be good stewards of the resources and profits that have been entrusted to us.

Vision Statement:

MSW's vision is to have the best knowledge of the product and industry in order to best meet the needs of the customer. We also commit to a safe and stable workplace, in which all members of the team are enabled to grow and learn together.

What makes MSW Plastics different?

At MSW Plastics, we have built our business on service, partnership, product quality and dependability because we believe that quality and customer service should be our first priorities.

The MSW team will work alongside you from the initial design stages, to prototype development, throughout the manufacturing process right through to delivery and installation to ensure our product truly is the best fit for your project. We collaborate with our customers to create innovative solutions, forming the basis for long-lasting, successful partnerships.

Key Benefits:

- Service Oriented
- Over 30 Years of Extrusion Experience
- Worldwide and On-Time Delivery
- Focused on the Future of the Industry
- Environmentally Friendly
- Quality Products
- Continued Year over Year Growth
- Committed to using environmentally friendly products and producing zero waste

Our business is built on service, quality, and dependability. We form partnerships with our customers to grow together and to gain market share. For more information about MSW Plastics, our services, or to discuss your projects and plans, please contact us.

MSW Plastics has been ranked within the top 100 annual Profit 500 three years consecutively, the definitiveranking of Canada's Fastest-Growing Companies. The PROFIT 500 ranks Canadian businesses by their five-year revenue growth.

The PROFIT 500 represent the highest tier of entrepreneurialism in Canada," says James Cowan, Editor-in-chief of PROFIT and Canadian Business. "They should be lauded for the positive economic contributions they've made to their communities—and the entire country. They are examples of what can be accomplished with innovation, discipline and determination."

Steve Bosman, President & Ownership Partner of MSW Plastics

Steve Bosman focuses on the promotion of MSW products, visioning for the future of the company, and provides expertise in the hands-on production of our products.

Entering the plastic manufacturing business in 2007, Steve has helped grow the company into a worldwide leader in the plastic extrusion industry.

Steve continues to strive to offer optimum customer service and works as a team to promote quality in all divisions of the company.

As a long time member of the area, Steve has a commitment to local projects and initiatives that benefit the community, as well as his local church and various charities.

Joel Koops, Vice President & Ownership Partner of MSW Plastics

Joel Koops manages the finances of the company while visioning and promoting products and services offered by the company.

Joel partners in providing customer focus and product quality, and is part of the vision for what has led

MSW to be a leader in the plastic extrusion industry today.

Joel considers his business to be an opportunity to give back to the community and various charities including churches, schools, and other causes.

"MSW Plastics is honoured to be on the PROFIT 500 ranking," "This achievement reflects the strength of our products and the dedication of our team," says company President Steve Bosman.

"Thanks to our customers' confidence in our products and our great team, we have been able to achieve this success. We look forward to continuing the growth," says Joel Koops, Vice President.

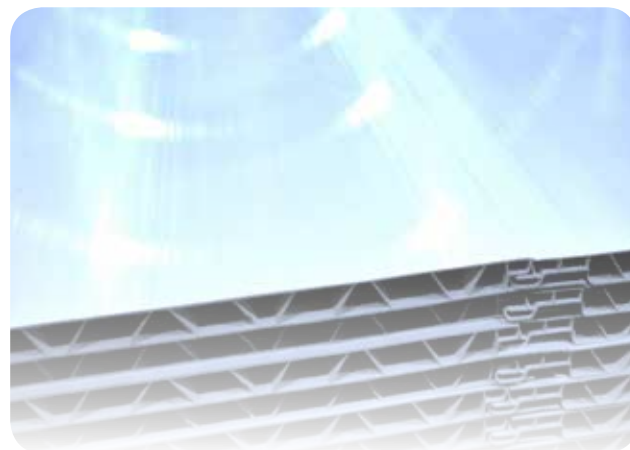

TRUSSCORE™ PVC Interlocking Liner Panel
